

# NOTICE OF OPEN HOUSE

## **Residents of Guelph/Eramosa are invited to explore the idea of a public transit connection between the Township of Guelph/Eramosa and the City of Guelph.**

Students from the University of Guelph's Rural Planning and Development Program are investigating the idea of linking specific areas in the Township of Guelph/Eramosa to the City of Guelph's public transit system. The public is invited to attend an open house to share their thoughts on the topic. The results of the open house will be used as part of a report to gauge public demand for a transit service extension. At this time, there have been no discussions with the City of Guelph on this matter.

If you are unable to attend the open house, we still want to hear your thoughts! Please email us at: [balt@uoguelph.ca](mailto:balt@uoguelph.ca).
