RE: Wellington Road 29 Reconstruction
Open House
And Tree Cutting/Trimming

Dear Resident;

The County of Wellington, in conjunction with the Town of Milton, will be reconstructing Wellington Road 29 between Barden Street and Arkell Road this summer and we would like you to attend an open house to review the plans. The **open house** will be held on **May 27 between 6 and 8 pm at the Guelph Rod and Gun Club**. Staff from the County and the consultant firm will be in attendance to answer any questions you may have.

In advance of the construction work, County of Wellington staff will be cutting and trimming trees within the right of way. Trees and bushes in general that will be cut or trimmed are dead, on the slopes that will be impacted by the construction, an existing safety concern or of an unwanted species. Trees that are within the right of way but do not fall into one of these categories will be left in place.

If you are unable to attend the open house but would still like information, please do not hesitate to contact me.

Should you have any questions, do not hesitate to contact me at 519.837.2601 x 2270 or marke@wellington.ca.

Yours truly,
