## Rockmosa Older Adult Centre

*It is a wildlife show you will not soon  
forget.*

Wildlife photographer, Tom Jenks and his wife Ellie will show pictures and tell stories from two different trips to Africa. Tom travelled to Tanzania to photograph wildlife on the Serengeti and at Ngorongoro Crater. He and Ellie returned a year later to visit the Okavango Delta region of Botswana. Elephants, lions, giraffes, hippos and the incredible African Wild Dogs are all part of what you will see, along with many of the birds of Africa.
