Dear Interested Party/Public Meeting Attendee:

**Re: Special Council Meetings - Zoning By-law Amendment Application 09/12 - James Dick Construction Ltd. (Hidden Quarry)**

You are receiving this letter as a person or agency that commented on, or expressed interest in, the above-noted application.

On May 25, 2015, the lawyers representing James Dick Construction Ltd submitted a Notice of Appeal to the Ontario Municipal Board (OMB) regarding the Zoning By-law Amendment application ZBA 09/12, to permit the proposed Hidden Quarry. The appeal is being made under the Planning Act, as the municipality did not make a decision on the application within the prescribed 120 day timeframe.

As the application is now before the OMB, Township Council is no longer able to approve or reject this application. However, Township Council will be deciding the Township's position in the OMB proceedings. In making this decision, Council will have the Planning Report, presented by the Township Planning Consultant, and public input received at a meeting to be held on September 15, 2015, as well as all of the related information and input which has been received.
