GREG FREWIN - WILD MAGIC SHOW

Thursday April 12, 2018

Spring time in Niagara Falls! That's where we are off to today. Did you know that Niagara Falls is known as the Daffodil Capitol of North America? With a little help from Mother Nature they will be in bloom at the time of our visit. They are a wonderful site to see.

The Greg Frewin Theater offers us excellent cabaret seating, a full, hot and cold buffet and then the fabulous magic show. The buffet includes rolls, salads, chicken, fish, vegetables and an assortment of desserts with tea or coffee.

Greg Frewin is currently ranked as **The International Grand Champion of Magic**, having won every major award offered within the magic community. He has also won the **Magician of the Year** at the **World Magic Awards**, effectively ranking him as the world's top illusionist. In his fifteen year professional career, Frewin has performed live all over the world and appeared on television. The acts will include Tigers (he owns 5 of them), birds and sometimes trained dogs. Visit his web site for more information and pictures - he will amaze you! www.gregfrewintheatre.com

We start our day with a stop at the Grand Oak Culinary Market where you can purchase a morning coffee. Following the show we will have a winery stop at Magnotta Winery for a complimentary tasting in the afternoon! This will be a memorable day that you won't want to miss!

Price: **\$125.00** per person
