### 5) Do I need insurance? Why?

- Every rental is required to have valid insurance for \$5 Million in liability. You can purchase this from the Township's Third Party Provider (Duuu Insurance) or you can add the Township of Guelph/Eramosa as an additional insurer to your own insurance policy. Price varies.
- Insurance is required to protect the renter from any unforeseen incident that may occur during the rental. The insurance protects the renter as well as the municipality from unforeseen bodily injury, property damage, and personal and advertising injury liability due to activities that occurred during the rental contract.
- It remains the responsibility of the renter to manage and control the special event, and if necessary; take appropriate actions, including stop-service of beverage sales, ending the event, vacating Municipal property, and ensuring safe transportation options are provided for guests.

### 6) Is there access to hydro and running water?

- Yes, both of our pavilions offer hydro outlets.
- No, there is no running water at the pavilions.

### 7) Are there washroom facilities near by?

- Yes your key will give you access to the Marden Community Centre when renting Pavilion #4 (the pond pavilion) and a temporary restroom is available to you when renting Pavilion #1 (the sport pavilion)
