10:00 a.m. to 1:00 p.m.
Barbeque from 11:30 a.m. - 1:00 p.m.
Extrication Demonstration begins at 11:00 a.m.
DRAW and PRIZES**

The Township of Guelph/Eramosa Fire Department, along with their Emergency Response Partners, are hosting an Open House and Community Safety Information Day on Saturday, May 7, 2022. This event is being held in conjunction with National Emergency Preparedness Week which runs from May 1 - 7, 2022. Fire and Emergency Services serving the Township of Guelph/Eramosa and Wellington County will be at this event to present an exciting and informative day for the community.

- * Do you know what your community risks are?
- * Are you prepared for power outages?
- * Do you have enough of the right supplies in your home to be self sufficient for 3 days?
- * View some of the response capabilities that the Township currently has.
- * Learn how to better prepare your family in the event of an emergency!
- * Speak with your Community safety partners.
- * Combination Smoke/Co Alarms will be available for purchase.

Come out and meet your local Firefighters, O.P.P., Military and other responders. Watch an auto extrication event and practice with the fire extinguisher simulator. Spray some water from the tanker and then enjoy a barbeque lunch with Sparky and Pluggie. Visit with exhibitors and be sure to enter our draw for prizes. Non-perishable food donation items will be accepted on behalf of East Wellington Community Services.

Jim Petrik, Fire Chief
Fire and Emergency Services
Township of Guelph/Eramosa
