# TRANSFORMING TRANSIT IN YOUR AREA

## Wellington County Track Improvements

Metrolinx is continuing essential maintenance work along the rail corridor passing through Georgetown to Kitchener on GO Transit's Kitchener line. Starting on **May 15** we will begin work in your community to upgrade the Metrolinx rail crossing at 7<sup>th</sup> Line in Wellington County.

### THE LOCAL PROJECT

Weather permitting, work to rehabilitate the crossing by repairing the rail and leveling the grade crossing will begin **Friday, May 15 at 10:00 p.m.** and continue through to the morning of **Monday, May 18, 2020.**

### WHAT THIS MEANS FOR YOU

While this work is underway, 7<sup>th</sup> Line will be closed to both vehicles and pedestrians at the tracks.

We will do our best to complete track maintenance during the day, but some work will need to proceed overnight while rail traffic is lighter. Residents may notice noise from the machinery and some ambient light from the site. The use of back-up beepers, a vital safety measure, will be limited to essential work only. Lights will be pointed away from residential areas.

### QUESTIONS

We have a dedicated Community Relations team available to answer your questions at any time by email or over the phone. For more information, feel free to contact them at the number or email address below. Thank you for your patience while we improve transit to get communities moving.
